

## HH Shri Mataji on Marriages

Marriage is meant to give joy, is meant to give cheerfulness, happiness and all the blissful things that we can think of achieving through our combination with two human beings, we can say. It's a very close and private relationship which has to be respected. It is not to be in any way dishonored or indiscreetly squandered away.

Those who cannot respect their partners in life will never be respected anywhere else. Those who ill-treat or in any way try to spoil the image of their partners are harming themselves. Try to understand each other, decorate each other, not correction, but decorating.

Like an ornament, when added to a personality decorates that person, in the same way, try to decorate another person. So the decorum and decency of life comes from this auspicious relationship. That must be maintained.

## Resurrection as the Spirit

The message of Christ is His resurrection. That is you are your spirit and not your body. And He showed by His resurrection how He ascended into the realm of spirit – which He was, because He was Pranava, He was Brahma, He was Mahavishnu – as I have told you about His birth. And when He came on this earth, in a body, like a human being.

## That total love

Now you are changed people. Your personality is different. It's shining through your spirit. In that spirit, you have to see everything. All your conditionings will drop out as soon as you start identifying your Self fully, fully with the spirit. Loving for loves sake, that's what is your Spirit. It is watching you with that love, that total love.

HH Shri Mataji

Thank You Shri Mataji for all the blessings  
and for saving Your children
